Jennifer,

Please provide the CDOT documents for public review. The CAG did not receive the CDOT sewer pipeline reports regarding CDOT OU2 activity. The CAG September 2019 meeting did not provide a discussion or CDOT documents.

Thank you,
Joan Seeman

“Hello Jennifer:

Andrew and Kara mentioned that the sewer pipeline work is getting closer. I will getting some documents to review in the upcoming weeks. I plan to use the September community meeting to inform of these activities. When you plan the agenda with Kim, please let her know about the topic in case they have questions. At that point we'll discuss if we need to have CDOT to talk about the project.

If you need more details while I'm out, please talk to Andrew or Kara. Thanks,
Jesse”
